PROFILE INFO

I am a student at the University of Mansoura with a major in Computer Science.

I have a passion for front-end development. I enjoy researching and designing websites for different media screens.

I am a quick learner and open to learning new things and getting involved with new projects that can help me learn or apply all that I have learned.

In addition, I excel in my ability to work under pressure and handle stressful situations very well.
I enjoy meeting people and working with them in a team environment.
